

Complete Cattle Equipment „BANSS“

Capacity: 60 cattle / hour

Fabricator: Banss

Year of manufacture: 1996

Condition: Excelent

The equipment consists of:

- 1. 1 runway to killing box**
- 2. 1 killing box pneumatic, galvanised european standard**
- 3. 1 landing gutter, galvanised**
- 4. 1 1 bleeding conveyor**
- 5. 1 tubular scale**
- 6. 1 bleeding rail, stainless steel**
- 7. 1 rehangng platform, stainless steel**
- 8. 1 hind-foot tongs, hydraulic pneumatic**
- 9. 1 debleeding hook return system**
- 10. debleeding hooks**
- 11. 150 slaughtering hooks**
- 12. 1 ejection hind-foot, stainless steel**
- 13. 1 before-dehiding platform, stainless steel**
- 14. 1 rodding elastrator for locking the throat, stainless steel**
- 15. 1 front leg and breastbone station, stainless steel**
- 16. 1 front leg chain sterilisation, stainless steel**
- 17. 2 working platforms to dehiding, pneumatic, stainless steel**
- 18. 1 roller dehider electric/pneumatic**
- 19. 1 ejection for hides, stainless steel**
- 20. 1 head washing cabinet, stainless steel**
- 21. 1 elevating platform for paunch removal, pneumatic, stainless steel**
- 22. 1 ejection rail for paunch, stainless steel**
- 23. 1 Splitting saw band system working by hand**
- 24. 1 splash protection wall, PVC**
- 25. 1 saw platform, pneumatic, stainless steel**
- 26. 2 inspection platforms, pneumatic, stainless steel**
- 27. 1 paunch conveyor, stainless steel/PVC**
- 28. 1 offal conveyor**
- 29. 1 veterinary platform, stainless steel**
- 30. 1 platform for afterwards assessing, stationary, stainless steel**

- 31. 1 scale for carcass
- 32. 1 quartering station with elevator
- 33. all washing and sterilisation basins and apron showers, stainless steel
- 34. single group electric equipment (without unit SPS 5)
- 35. spare parts
- 36. all drawings

Price: **€ 548.000,-- EXW Germany including dismantling and loading to the containers**

Load capacity: 8 - 9 Containers
Sea packing cost: each container 1.500 € (Option)
Payment terms: 30 % at Advance
50 % before dismantling
20 % before shipping
