

!!! Bankruptcy Liquidation Sale !!!

1x Used Tire Recycling Plant

Consisting of:

1 2-fold Big-Bag-Baggingstation consisting of carry-rack with 2 scales arrangements, Made:Forez-Pesage, with left and right scales unity as well as suction cyclone

1 electric belt conveyor belt Made:SEE ALSO Les Construction, type Central management, Working width approx. 800 mm, length approx. 3,500 mm, on underframe rising

1 electric belt conveyor belt belt range approx. 700 mm, approx. 3,000 mm long

2-Waveshredder with 2 impulse engines, Made:Emod, impulse achievement 15 kW, 380 V, with throw-in funnel as well as underframe

1 electric belt conveyor belt belt range approx. 500 mm, approx. 3,500 mm long

1 magnetic tape separator Made:MeWa, type Überm. 11, impulse achievement 1.5 kW, approx. 2,000 mm long, with Carry-rack, year of construction in 2002

1 tunnel belt conveyor belt belt range approx. 650 mm, approx. 8,000 mm long, rising

1 tunnel belt conveyor belt belt range approx. 550 mm, approx. 5.5000 mm long, rising

1 tunnel belt conveyor belt belt range approx. 650 mm, approx. 10,000 mm long, outwardly leading

1 tunnel belt conveyor belt, belt range approx. 550 mm, approx. 5,000 mm long, rising

1 Granulator Made:MeWa, type UG1002MS, Made:No. 402, impulse achievement 77 kW, with funnel as well as underframe and passable stage with switch cupboard and control cupboard, year of construction in 1996

1 electric belt conveyor belt Made:Lenoir, belt range approx. 250 mm, approx. 1,000 mm long

1 electric belt conveyor belt belt range approx. 450 mm, approx. 1,500 mm long, with matching carry-rack

1 Granulator Made:CMG, type S4070TS, Made:No. 00901006, impulse achievement 22 kW, with funnel of the problems, year of construction in 2001

1 pneum. Conveyor blower with electric motor impulse as well as outgoing tube

1 Granulator Made:CMG, type S4070TS, Made:No. 00901007, impulse achievement 22 kW, year of construction in 2001

1 conveyor blower Made:LTG, type RTB500 / P2R, with electric motor impulse for 330 V as well as tubes

1 pneum. Conveyor blower with electric motor impulse as well as outgoing tube

1 Granulator Made:CMG, type S4070TS, Made:No. 00901008, impulse achievement 22 kW, year of construction in 2001

1 conveyor blower Made: Kongskilde, standard No. 17460477, for 380 V, Ø approx. 750 mm

1 conveyor blower Made:LTG, type RTB500 / P2R, for 380 V, Ø approx. 750 mm, year of construction in 2001

1 withdrawal system Made: TAS, type C100N, Made:No. 130, dimension approx. 1,200 x 1,200 x 3,500 mm, achievement 11 kW, exhaust system power 350 cm³ / hrs, year of construction in 2001

1 Exhaust system Ø approx. 600 mm, with electric motor impulse for 380 V

1 Exhaust system Made: Kongskilde, type TRL40, Ø approx. 600 mm, with electric motor impulse for 380 V

1 cyclone separator Made:unknown, with matching underrack and tubes (Z2) 1 cyclone separator Made:LTG, type CPS200, Made:No. 210410/5518987/90044, best of all from cyclone with matching tubes and underframe, year of construction in 2001

1 vibration sieve arrangement Made:Laxly, type R321A ALMS, Made:No. R15609, sieve size approx. 1,000 x 2,000 mm, with unity of the problems, with Feed Funnels as well as underframe, year of construction in 2001

1 electric belt conveyor belt belt range approx. 500 mm, approx. 4,500 mm long, rising, on underframe, mobile, in addition 1 set slipping off, own construction

1 electric tunnel belt conveyor belt belt range approx. 500 mm, approx. 6,000 mm long, rising, outwardly leading

1 withdrawal system Made:LTG, type TFB-31 15/15, Made:No. 2104105518 987-10627, with filter case as well as matching dust removal blower, Made:LTG, type LS802P4, 7.5 kW, 25, with matching tubes, year of construction in 2001

2 switch tax cupboards for ripe recycling arrangement, steel metal, for the whole arrangement

1 electric belt conveyor belt belt range approx. 250 mm, approx. 4,000 mm long (open area)

1 transformer station Made:Lahmeyer, type Compact Station (No. 8113)

Price: € 169.000,- EXW Germany „as it is“ excl. dismantling.

Pictures: attached.

Delivery: at once
